# MAIL DELIVERY FOR MAUI SURVIVORS

**Survivors** who won't have access to their homes for an extended period after the Maui wildfires need to set up a temporary mailing address with the U.S. Postal Service. The post office cannot forward your mail unless you submit a postal service Change-of-Address form, whether it is temporary or permanent.

**To Change Your Address:**

Go online to USPS.com, call 800-275-8777 (800-ASK-USPS) or pick up a Change-of-Address form at any post office. You can use the same contacts to check the status of your mail or retail deliveries you may have been expecting.

**Have you applied for FEMA disaster assistance at a Disaster Recovery Center or over the phone?**

Stay in touch, get important updates, and easily upload documents by setting up your online Disaster Assistance Account. Go to <https://www.disasterassistance.gov/> and click on the green 'Check Status' button to create an online account. Use the same email you provided when you applied for assistance. You'll then be emailed a PIN you can use to log in. If you applied for assistance online or via the FEMA app, then you already have a Disaster Assistance Account.

If you haven't yet applied for FEMA assistance, click on the blue 'Apply Online' button on the Disaster Assistance homepage.
